**We have goodies
for everyone!**

Hello and welcome to my world!

Baking is a form of self-expression for me and Zany's is my labour of love. Made from my home kitchen, there is a genuine effort to make each treat balanced, wholesome and flavourful. What goes into each product is as important as what is left out. This mindful approach is followed in the sincere hope of imparting a tangible nurturing warmth to all our homemade goodies, like getting a tight hug from a close friend.

Why choose our products?

We believe food has the power to nurture body and soul. In order to make products that do justice to this philosophy, we use quality ingredients and simple recipes, with the addition of a whole lot of care, attention and love.

Our products are free of all artificial colours and flavours.

**GLUTEN
FREE**

As alternatives we use almond, coconut, buckwheat, raw banana and rice flours.

EGGLESS

We use flax and chia seeds or yoghurt as a substitute. We do not use any commercial egg replacer.

**REFINED
SUGAR FREE**

Our choice of natural sweeteners includes jaggery, coconut sugar, raw sugar, dates and honey.

VEGAN

We use coconut milk and coconut oil as dairy substitutes and flax and chia seeds as egg substitutes.

Look for the  for a healthier choice. Made with healthier alternate flours and natural sweeteners, these recipes are tailored to be lighter and more balanced nutritionally, allowing you to enjoy treats without feeling weighted down.
